

***Addenda et corrigenda* to the catalogue:**

Calopterygoidea of the World: A synonymic list of extant damselfly species of the superfamily Calopterygoidea (*sensu lato*) (Odonata: Zygoptera) (First edition - 1 January 2016) by Matti Hämäläinen

Additions:

p. 20 / new species:

Heliocypha vantoli Hämäläinen, 2016

p. 22 / new species:

Rhinocypha peitho Hämäläinen, 2017

p. 32 / new species:

Celebargiolestes askewi Kalkman, 2016

Celebargiolestes orri Kalkman, 2016

Celebargiolestes toli Kalkman, 2016

Change of status:

p. 17 / new combinations and new status

Chlorocypha crocea Longfield, 1947 – presently *Platycypha crocea* (Longfield, 1947)

Chlorocypha crocea bamptoni Pinhey, 1975 – presently *Platycypha bamptoni* (Pinhey, 1975), good species.

p. 18 / new combination

Chlorocypha rubriventris Pinhey, 1975 – presently *Platycypha rubriventris* (Pinhey, 1975)

p. 26 / change of status:

Schmidtphaea schmidi Asahina, 1978

Schmidtphaea chittaranjani (Lahiri, 2003)

New evidence suggests that these two taxa are distinct species.

Corrections:

p. 7 / corrections:

Syn. *Notholestes elwesi* MacLachlan, 1887 – the correct spelling is McLachlan

Caliphaea consimilis MacLachlan, 1894 – the correct spelling is McLachlan

p. 8 / corrections:

Syn. *Calopteryx haemorrhoidalis occasi* Conci & Nielsen, 1956 – the correct author is Capra, 1945

Syn. *Calopteryx transcaspica* Bartenev, 1911 – the correct year is 1912

Calopteryx samarcandica Bartenev, 1911 – the correct year is 1912

p. 9 / correction:

Syn. *Calopteryx intermedia persica* Bartenev, 1911 – the correct year is 1912

p. 19 / correction:

Aristocypha aino Hämäläinen, Reels & Zhang, 2008 – the correct year is 2009

p. 23 / correction:

Syn. *Micromerus rubropictus* Martin, 1902 – the correct spelling is *robropictus*
